ARTICLE 3 NO STRIKE-NO LOCKOUT

The parties agree to faithfully abide by the applicable provisions of the Act. Neither the Union, its officers or agents, nor any of the employees covered by this Agreement, will engage in, encourage, sanction, support or suggest any strikes, slowdowns, picketing, boycotting, mass resignations, mass absenteeism, the willful absence from one's position, work stoppage, or any such related activities as covered in Section 12 of the Act.

The Employer pledges that it will not engage in a lockout during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE 4 DEFINITIONS

Regular Full Time An employee scheduled to work forty (40) or more hours per week on a regular basis.

ARTICLE 5 HOURS OF WORK AND OVERTIME

The purpose of this Article is intended to define the normal hours of work, and shall not be construed as a guarantee of hours of work per day or days of work per week. Determination of daily and weekly hours of work shall be made by the Employer. The

workweek starts at 12:01 AM on Sunday and ends at 12:00 Midnight the following Saturday.

The normal work will be from forty (40) hours per week, Monday through Friday. The established working hours will provide for a one-half (1/2) hour unpaid lunch period and one 15 minute break scheduled in each half of the work shift.

Overtime. Overtime shall be paid for at the rate of time and one-half (1 1/2) the employee's straight time hourly rate for hours worked in excess of eight (8) hours in any workday or forty (40) hours in any workweek. If a 10 hour day schedule is implemented, overtime will only be paid for hours worked over forty (40). Overtime shall also be paid for hours worked on Saturday and Sunday. Employees may elect compensatory time in lieu of overtime pay. However, the maximum accumulation of compensatory time shall not exceed 80 hours. Determination and authorization of overtime shall be made by the Engineer.

Holidays and jury duty time will count as hours worked for the purpose of computing overtime. All other paid time off shall not be counted as working time for the purpose of determining overtime.

Call Back Time. The County will endeavor to limit working time to the planned hours; however, because of the nature of our work and responsibilities to the public, all secondary road employees should be prepared for call on weekends and/or holidays during inclement weather periods or emergencies. To this end, or should it be necessary to change hours or cancel work, each employee is requested to provide his telephone number or that of a neighbor who could be contacted in case of necessity.

Job Classification Openings Whenever a regular full-time job classification vacancy occurs, the opening will be posted on the bulletin board for five (5) calendar days. A current regular full time employee has the opportunity to indicate their interest in being considered for the vacancy by indicating their interest in writing to the Engineer within said posting period. The Engineer makes the decision on who is to fill the opening. If qualifications are equal, seniority will govern. The Engineer's decision is not subject to being grieved. The Engineer can hire from outside the unit, after considering those current employees who have expressed a written interest in that vacancy. For job classification opening applicants who signed the posting, the Engineer will gather information regarding each from the Union Steward and possibly other unit employees.

ARTICLE 6 LENGTH OF SERVICE

Length of service (seniority) means an employee's length of regular full-time continuous service with the Employer since their last date of hire.

A new employee shall serve a probationary period of six (6) consecutive months. Probationary employees may be terminated during the probationary period without recourse to the grievance procedure.

When the working force is to be reduced, the Employer will select the job classifications to be reduced. The layoff will be accomplished in the following sequence: probationary employees first, and finally regular employees based upon their job performance. If job performance is equal among affected employees, seniority will rule.

Employees to be recalled after being on layoff shall be notified as far in advance as possible by notice in writing sent by certified mail, return receipt requested, to the last address shown on the employee's record. The employee must respond to such notice within three (3) days after receipt thereof and actually report to work in seven (7) days after receipt of notice, unless otherwise mutually agreed to. In the event the employee fails to comply with the above, he/she shall be terminated. Temporary and probationary employees have no recall rights.

An employee shall lose their length of service and the employment relationship shall be automatically broken and terminated as follows:

- (a) Employee quits.
- (b) Employee is discharged.
- (c) Failure to report for work at the end of leave of absence.
- (d) Failure to report to work within three (3) days after being notified to return to work following layoff, when notice of recall is sent to employee's last known address, according to Employer records. It is the employee's responsibility to keep the Employer informed of their current address and phone number.
- (e) Length of service rights will be forfeited after the continuous period of layoff exceeds one (1) year.
- (f) Employee retires.
- (g) An employee is absent from work for any reason, other than a work-related injury, for over one (1) year or for a period of time equal to his/her length of service, whichever is shorter.
- (h) An employee is absent from work due to a work related injury for a period of two (2) years.

ARTICLE 7 GRIEVANCE PROCEDURE

The parties agree that an orderly and expeditious resolution of grievances is desirable. All matters of dispute that may arise between the Employer and an employee or employees regarding a violation, application or interpretation of the expressed provisions of this Agreement shall be adjusted in accordance with the following procedure:

Grievance Steps:

Step 1. An employee and/or Union Steward shall present a complaint or problem in writing to his/her immediate supervisor or his/her designated representative within four (4) work days following its occurrence or within four(4) work days of when the employee knew or should have known of its occurrence in an effort to resolve the problem in an informal manner. The immediate supervisor or his/her designated representative will answer the grievance in writing within four (4) work days.

Step 2. If the grievance is not settled in Step 1, the aggrieved employee and/or Union Steward shall present the grievance in writing to the Engineer or his/her designated representative within five (5) work days following the immediate supervisor's written answer. Within five (5) work days, the Engineer or his/her designated representative will answer the grievance in writing.

Step 3. If the Employer's answer in Step 2 fails to resolve the grievance, the aggrieved employee and/or Union Steward shall refer the grievance, in writing, to the Chairperson of the Board of Supervisors within five (5) work days of receipt of the Step 2 answer. The Engineer and the Chairperson and/or their designated representative will meet with the aggrieved employee and/or the appropriate Union representatives within ten (10) work days of receipt of appeal to Step 3 to discuss and attempt to resolve the grievance. Following this meeting, the written decision shall be given to the Union within ten (10) work days from the date of the meeting.

Step 4. Any grievance not settled in Step 3 of the grievance procedure may be referred to arbitration, providing the referral to arbitration is in writing to the other party and is made within fifteen (15) work days after the date of the Chairperson of the Board of Supervisors answer given in Step 3. It is expressly agreed and understood that no employee shall have the right to compel the arbitration of a grievance without the consent of the Union. The Union Steward shall be present at the time of all meetings dealing with the grievance.

If a grievance is not presented within the time limits specified in this Article, it shall be considered waived. If a grievance is not appealed to the next Step within the specified time limits, it shall be considered settled on the basis of the Employer's last answer.

If a grievance at any Step is not timely answered by the Employer, it may automatically be referred to the next Step.

After either party has notified the other of its referral of a case to arbitration, the parties will meet within ten (10) work days after receipt by either party of the notice of referral of a case to arbitration to select an arbitrator or to request, in writing, the Federal Mediation and Conciliation Service or Iowa Public Employment Relations Board to furnish a suggested list of names of seven (7) arbitrators from which list the parties shall select one (1) arbitrator. Such selection shall be by agreement, if possible; otherwise, by the parties alternately eliminating names from the list. Choice of the first strike shall be determined by coin flip. Each party can reject the entire arbitration panel one time prior to the selection procedure commencing. If either party deems the panel

to be unacceptable, another panel will then be requested. Once the acceptable panel is received, the arbitrator is to be selected within fifteen (15) workdays.

After each party has eliminated the names of three (3) arbitrators from the list, the arbitrator whose name remains on the list shall be accepted by both parties as the arbitrator to meet and suggest a resolution to the pending case. The arbitration hearing should occur within forty-five (45) days after the arbitrator has been determined, or on the first date all the parties have available.

The fees and expenses of the arbitrator will be shared and paid equally by the parties. Each party shall pay its own cost of preparation and presentation of arbitration. No stenographic transcript of the arbitration hearing shall be made unless requested by a party. The cost of stenographic reporting of the hearing shall be borne by the party requesting the same, except that the other party may request a copy of such transcript, in which case the parties shall equally divide the cost of stenographic reporting and of the transcripts. The arbitrator shall have no power to change, ignore, nullify, alter, detract from or add to the provisions of this Agreement. The arbitrator's decision will be final and binding on the parties.

All grievance and arbitration meetings under this Article are to be held in private and not open to the public, with the time and date to be established by the arbitrator for any arbitration hearings. Employees selected by the Union to act as Union representatives who may represent employees shall be certified in writing to the Employer by the Local Union.
